

## OUR COFFEE

We didn't set out to start a coffee cult. We just trawled the globe for the best beans from the best growers. It's this potent mix of plants + people that gives our blended espresso and single estate coffee a taste you could sell to the gods.

### ARTI'S ESPRESSO

Our beans are picked by hand at high altitude on single estate farms. Up here, in the clouds, they grow slow and hoard flavour, ripening to a radiant red. So with a deft merge and light roast, we can brew a blend of beauty.

A blend like no other.

### ARTI'S SINGLE ESTATE *(by request)*

We're coffee geeks, so we like to experiment. Single estate lets us adapt to the seasons and bring in caffeine exotica from rare climates, throughout the year.

We promise you flavours to send you to the moon and back.
